June Monthly Report (5/1/06-5/31/06)

Dear Mr. Jones:

In response to your inquiry June 23, 2006 regarding Schedule H4 supporting line 21 (a) disclosing payments for health insurance, payroll, and payroll taxes, we determined that only the disclosed payroll, payroll taxes and benefits that were currently reported on line 30b were Federal Election Activities and were 25% or more FEA.

We are closely monitoring the duties of all employees. We will be adding employees and benefits if their duties go over 25% of FEA for compensated time. The amounts on Schedule H4 for the above period were compensated for less than 25% FEA.
